Dear Ms. Kotz,

The Woman’s Club of Kenosha is offering four academic scholarships to Kenosha County women who are seniors in high school, residing in Kenosha County and are planning to enroll full-time in a four year degree granting institution of higher learning.

Academic achievement, career orientation, financial need and character are the primary criteria used in evaluating each applicant. An application form explaining the criteria is enclosed and we hope your counseling staff will make copies available to potential applicants and post them wherever appropriate.

Applications will be accepted between February 1st and March 15th. The Woman’s Club will notify the winners in April. The recipients will be honored at the Woman's Club closing luncheon on June 3, 2015.

Each winner will receive her check upon formal verification of enrollment from the registrar’s office of the college or university containing the official registrar’s seal. All applications should be sent to:
