

### 1. How do parents create an account?

- a. Go to [www.careercruising.com/Parent](http://www.careercruising.com/Parent)
- b. Click on the Register Now link
- c. Enter a few details to create your account: name, email, address, password, and activation code
- d. Parents must have an activation code in order to create an account.

### 2. I don't have an activation code. How do I get one?

- a. If your son or daughter has a Career Cruising account, you can obtain an access code in one of two ways:
  - i. From your child's school: You can request one from your child's teacher or school counselor
  - ii. From your child: Your son or daughter can send you an email invitation with an access code through their Career Cruising portal.  
**\*\*\*Please Note: Parents will need an activation code for each of their children.**

### 3. What can I see in Career Cruising?

- a. View your child's goals, interests, achievements, and experiences
- b. Track your child's plans and progress
- c. Provide feedback to your child and his or her teachers and advisors
- d. Receive messages from your child's school
- e. Explore Career Cruising to learn more about career and education options
