

17-18 IT Food Drive

Who: Key Club and NHS

What: We need any new non-perishable items such as flour, canned goods, bread

Why: The donated items will be given to Kenosha families in need for the holidays.

When: November 14th- December 6th

Notes

- Students will team up with Kiwanis to **deliver** the baskets of food.
- There is a **competition** for your 4th period class. The winning class will get donuts. Promote this to your peers!
- Heavier items are preferred since that's how we measure how much food was collected.
- There are many **sales** going on, use them to your advantage! Pick'n Save has sales for pasta, cake boxes, chicken broth, etc for \$0.49 when you have a card.
