To Our Hawk Community,

I have been given the great privilege of serving as your Interim Assistant Principal for the remainder of the 2012-2013 school year. Our colleague and friend, Mr. Neu, has been asked to serve as the Principal of Hillcrest, so I will be taking over the responsibilities he had in his absence.

I have been a part of the ITHS&A community for the past four years, serving as a Dean and Learning Specialist. It has been a pleasure working with such a collaborative, friendly, and professional staff that always has the best interest of students at heart. I am honored to represent my colleagues as an administrator and serve the vibrant Indian Trail student population as a building principal, working together reflecting HAWK PRIDE in all we do!

Sincerely,

Mrs. Amy Riedlinger
