Guidelines for Community Service Activities

- Service activities may be performed through a non-profit organization, or a for-profit organization as long as the recipient of the service does not profit monetarily from it (e.g. volunteering to help residents at a for-profit nursing home)

- Service may be performed with or for a faith-based organization, but activities must not evangelize or be religious in nature. (e.g. Volunteering at a church-sponsored food bank would be allowable. Volunteering to sing in the choir at a religious service would not fit the criteria.)

- Service activities must be performed without financial or other compensation

- Students may not use court-ordered community service hours to fulfill the graduation requirement

- All Kenosha Unified School District's behavior expectations and policies are in effect while a student is serving at the community agency site.

- The agency/organization must comply with all federal, state, and local laws that forbid discrimination on the basis of race, creed, gender, age, disability, religion or national origin.

- Starting with the graduation cohort of 2013, students must complete a total of ten hours of community service to fulfill the graduation requirement.
