April 2017

Dear Parent/Guardian and Indian Trail Senior:

As the end of the school year comes to a close, we are certain you are looking forward to the events highlighting the many accomplishments of the Class of 2017. This time of year may also present challenges for students to overextend themselves, or even find temptations to engage in behaviors that are not appropriate for school. We trust and expect our seniors will continue to demonstrate their "Hawk Pride" by conducting themselves in an acceptable manner at all events. It would be unfortunate for anyone to place themselves in a position where disciplinary action may be necessary that jeopardizes participation in these year-end activities, including Graduation Ceremonies. We thank you for your support and look forward to celebrating this important milestone. The following outlines our upcoming events:
